Institute of Technology

E-mail: [isao.sudo@it-chiba.ac.jp](mailto:isao.sudo@it-chiba.ac.jp)

12. Remarks: Your employment contract during your first three years of employment will be renewed every academic year. However, your contract may not be renewed if it is determined that there were problems with your educational and research performance or behavior during that period. If it is determined at the time of the third renewal that no particular problems with your future service are evident, your status will change to that of a full-time faculty member with no fixed term of employment (conversion to an indefinite employment contract). Your treatment and other aspects of employment during these first three years will be the

same as for a full-time faculty member with no fixed term of employment, however, other than the fact that your contract designates a fixed term of employment. The mandatory retirement age is sixty-five years old.
